100+ integrations

**Why choose ShipMonk**

- Temperature-controlled storage and handling to maintain product quality.
- Personalized packaging for an exceptional unboxing experience.
- Real-time insights into inventory and shipping metrics.
- Optimized shipping with competitive carrier rates.
- 7-day fulfillment to meet customer demand with speed.
- Compliance-driven operations to ensure your products exceed standards.

"ShipMonk gave us the ability to focus on growth without worrying about hiccups in delivery speed or accuracy," said Austin Greto, Founder at Goodroot. "Getting that order alert from Shopify and knowing the ShipMonk system will take it from there—that peace of mind is invaluable for a lean team like ours."
