### What makes us different

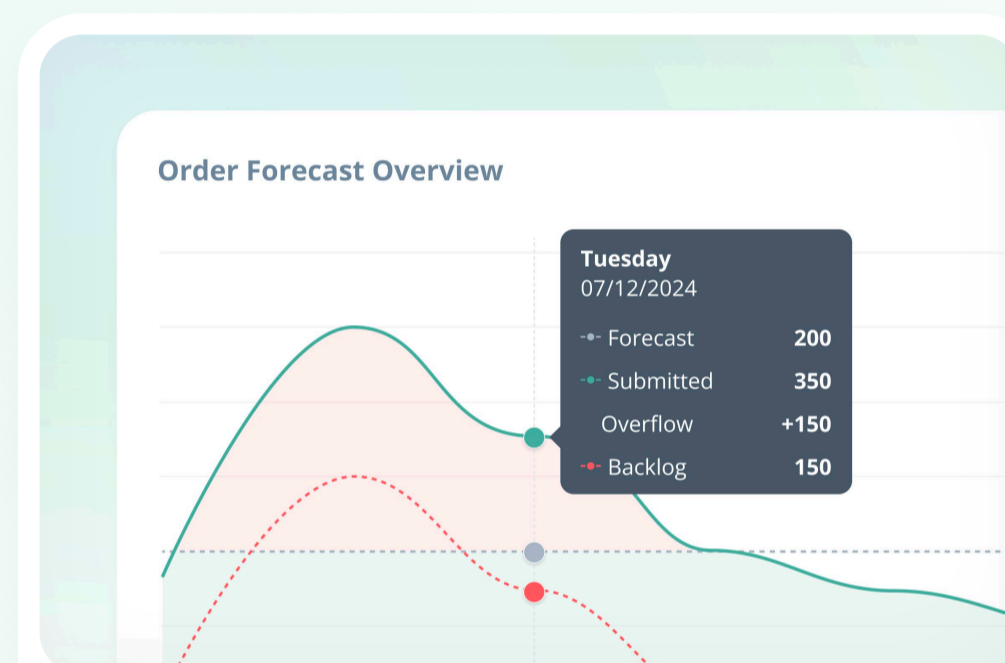

#### Faster fulfillment

Get toys and games to customers quickly with 12+ global fulfillment centers and our AI-powered Virtual Carrier Network.

#### Stress-free inventory management

Real-time inventory tracking and seamless integration with Shopify, Amazon, and more to avoid stockouts.

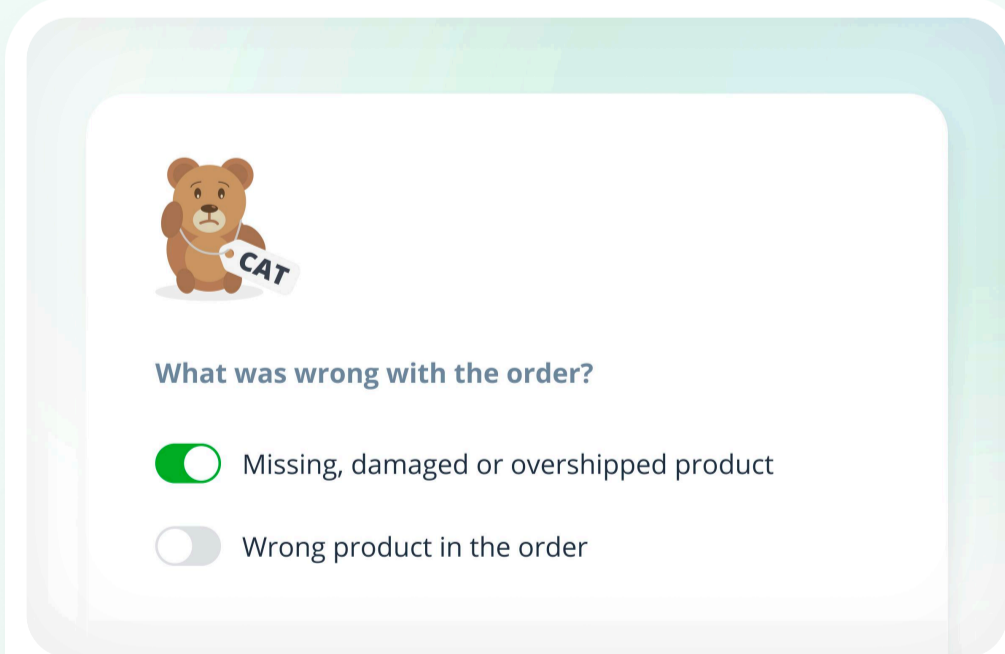

#### Crystal-clear insights

Our intuitive analytics dashboard gives you the data you need to grow smarter and faster.

#### Expert guidance

Dedicated support to help you scale, manage seasonal spikes, and anticipate inventory needs.

#### Easy returns

Customers can self-initiate returns, while efficient reverse logistics protect your profits and build loyalty.

#### Your brand, front and center

Custom packaging, branded tracking pages, and personalized touches to keep customers connected to YOUR business.

#### One connected system

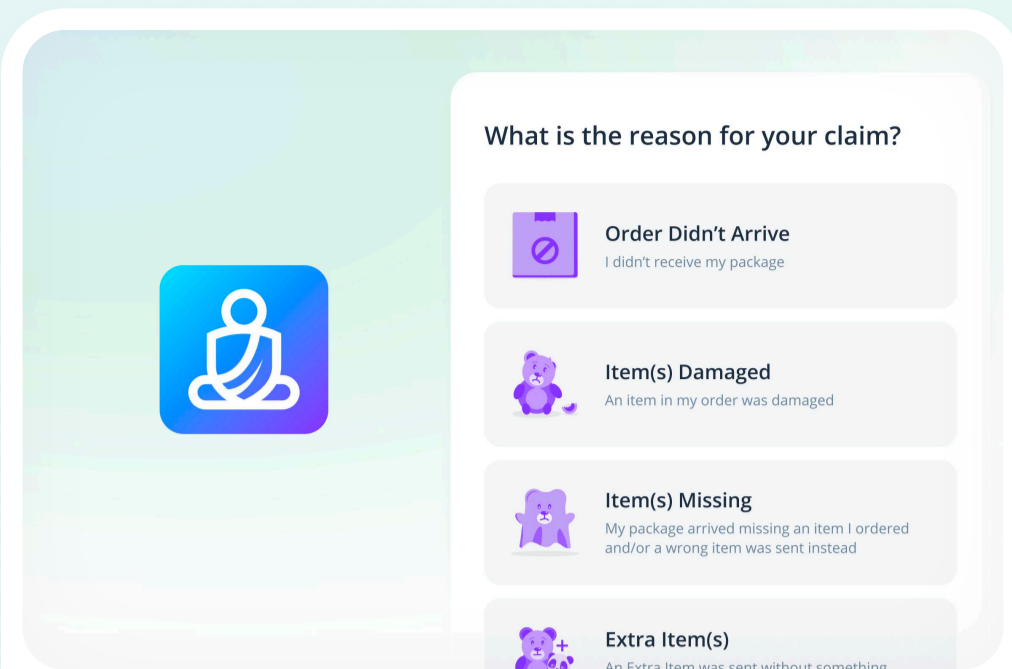

Eliminate the hassle. Seamlessly link every sales channel and tool to simplify operations.

100+ integrations

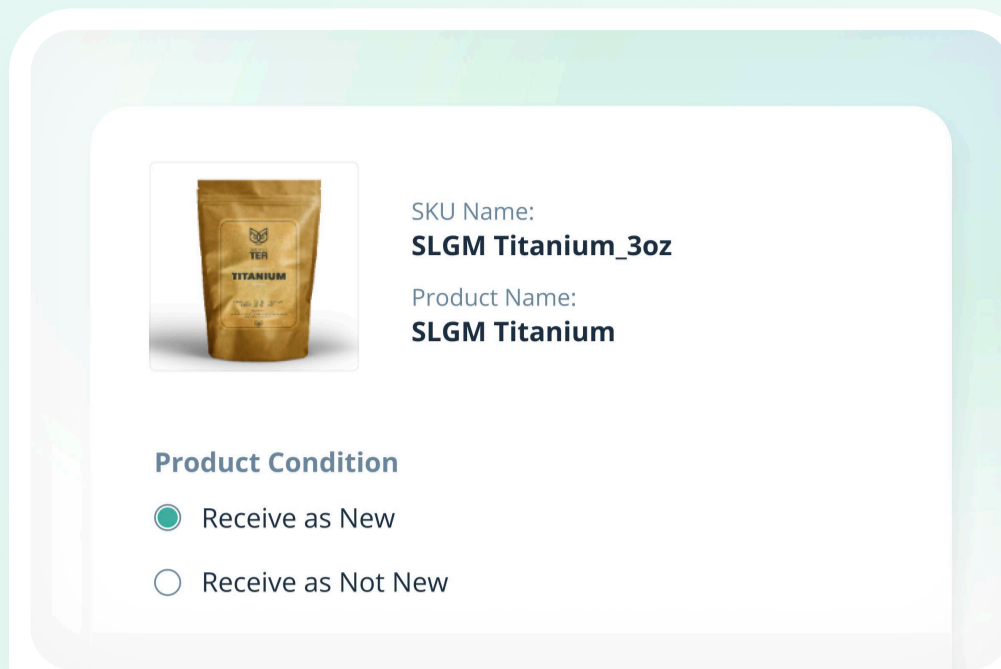

## Relieving fulfillment pain points

### Package protection made easy

We've got post-purchase issues covered. MonkProtect automates claims for lost or damaged packages, keeping things quick, painless, and customers happy.

### Hassle-free returns

Returns happen, but they don't have to slow you down. ShipMonk's reverse logistics handles exchanges and inventory updates seamlessly, so you can focus on growth.

| Fulfillment Fees       |                 |
|------------------------|-----------------|
| ▼ Pick Fee             | 1.54 USD        |
| • First Pick Fee       | 1.05 USD        |
| • Additional Items     | 0.15 USD        |
| • Custom Packaging Fee | 0.34 USD        |
| ▶ Shipping Cost        | 3.25 USD        |
| Insurance Cost         | 0.00 USD        |
| <b>Total</b>           | <b>4.79 USD</b> |

### Clear, smart shipping costs

Stop guessing. Our Virtual Carrier Network finds the best rates to balance speed and savings, automatically.

## Collaboration that delivers

### Tailored prep for retail & wholesale

Fulfilling retail or wholesale orders? We're your partner for prep, packing, labeling, and palletizing. No matter your partners' requirements, we ensure your products ship out flawlessly and on time.

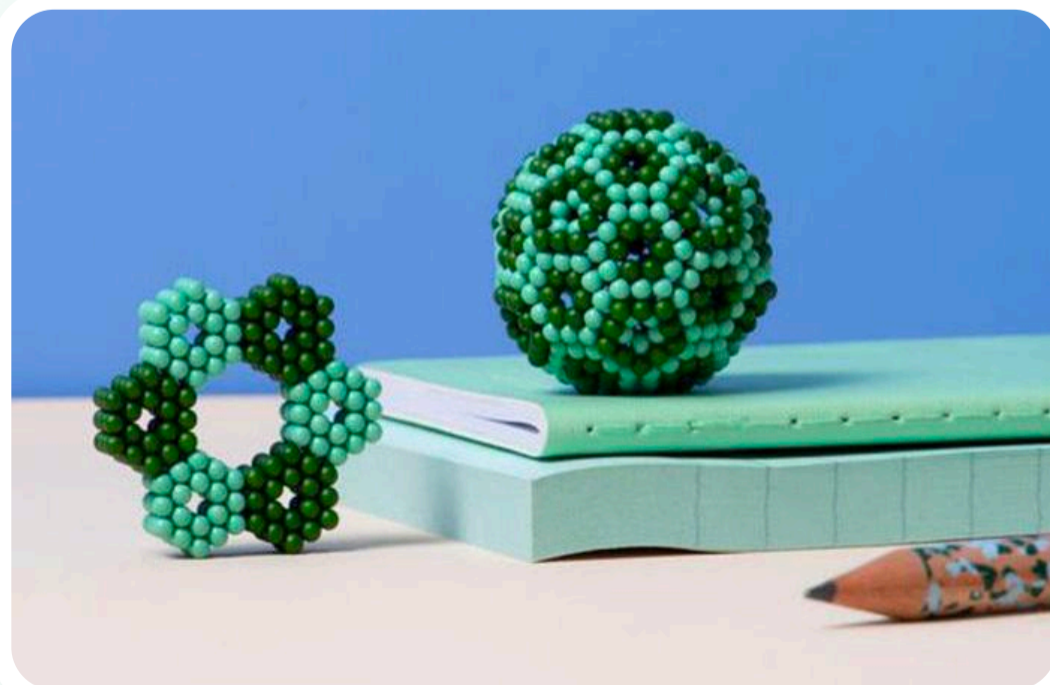

### Global reach, local precision

From direct-to-consumer fulfillment to enterprise-level B2B operations, ShipMonk bridges the gap. With tools like EDI and an integrated inventory system, managing high-volume orders has never been easier.

**Millions**  
of packages shipped annually

**7-days**   
a week we fulfill orders to get your products delivered faster and meet customer demand

**3M**   
total square feet in our network

"Since we've moved to ShipMonk, our ecommerce orders, especially during the Black Friday rush, have gone out so quickly. Customers were commenting on social media, 'I can't believe I got this so fast.' Which is amazing during that time of year."

**Marianne Broome**  
VP of Operations and Revenue
